ACHIEVING EXCELLENCE TOGETHER

Belonging High Expectations Respect Responsibility

Edition No. 3 | Friday, February 26, 2016 • Pye Street, PO Box 1440, Swan Hill 3585 | www.shc.vic.edu.au | swan.hill.c@edumail.vic.gov.au | Phone 5032 9360

Principal Team: Inta Blake, Andrew Sartori and Julie Robertson

PRINCIPAL'S REPORT

School Council Elections

The College has two vacancies for parent representatives on the School Council. If you would like to be part of the decision making process at the College, we encourage you to nominate to be a parent representative. Training and support is available for those who have no experience but would like to be involved. Please contact Cindy Hogan at the College for a nomination form. Nomination forms must be received at the College by 4pm, Monday 14 March.

VCE Information Evening

The College VCE Information Evening will be on Monday 7 March. This session is targeted towards parents of current VCE students, both Year 11 and Year 12, and will cover the requirements for the year. All parents of VCE students are encouraged to attend.

Online assessment

By now most students will be undertaking an assessment task for at least one of their subjects. Parents are now able to check feedback for that task online using Daymap, the College Learning Management System. Parents are also able to check student attendance and work requirements on Daymap. Login details have already been distributed to parents of Year 7 students and will shortly be mailed out for all other parents.

Students arriving late or leaving early

Parents are reminded to send a note with their child if they will be arriving late to school or leaving school early. Students are to sign in/out at their sub school and present their note to either Kerry or Carinda when doing so.

Julie Robertson - Principal

College news

House Swimming Sports

On Thursday the 18th of February our House Swimming Carnival was held at the Swan Hill town pool. In pleasant conditions, our students and staff put on a terrific event. The Year 12 parade was a highlight with excellent costumes on display. Almost all lanes were filled, with excellent participation being shown. Thank you to students for their great participation and behaviour. Well done to the staff for running the day so smoothly.

- Congratulations to the following record breakers:
- Chayse Tonkin - 16 boys backstroke and freestyle
 - Brittany Dunstone - 14 girls breaststroke
 - Jun Kim - 13 boys backstroke and freestyle

The next level of swimming is the Swan Hill District finals today, 26th of February. We wish our swimmers the best of luck.

Mr McGregor

Swan Hill College Dux embarks on a medical career in Townsville

Congratulations to Mitchell Steicke, the Dux of 2015, as he heads to Townsville to commence his course in Medicine. Mitchell was an outstanding student throughout his time at the College. An amazing work ethic, combined with a dream to become a doctor, resulted in Mitchell being the 2015 Dux with an ATAR of 95.75. Mitchell had completed two Year 12 subjects by the end of Year 11 and received extremely high study scores for both subjects. Throughout his secondary education, he had high expectations, set challenging goals and was a model student at the College. He resourced every support and opportunity available to him to ensure that he was successful in his studies. Mitchell left Swan Hill on February 13th and is residing on campus at James Cook University. The College community is extremely proud of Mitchell's achievements and wishes him all the best for the future.

Top award for Hope

Congratulations to Hope Shadbolt who achieved the top result for VCE Product Design and Technology (Fashion and Textiles) through the Distance Education Centre of Victoria in 2015. Hope accelerated into this subject in Year 10 and achieved a study score of 46 upon completion in Year 11. She recently attended an awards ceremony in Melbourne for the top students in each study area to celebrate her success. This year Hope will focus on her Media and Art subjects and has aspirations to study Fashion Design at RMIT when she completes Year 12.
