

PRINCIPAL'S REPORT

As we move toward the end of term, staff and students will be very busy finishing up assessment tasks. Year 12 students will complete the GAT on June 13th, and Years 10 and 11 students will be completing their exams during the week starting June the 18th. During this time it is vital that students are revising the first semester's work in order to make the most of future opportunities.

As I am sure many of you have noticed, we moved across to a new phone system this week which has caused some disruption to our incoming and outgoing calls. Our new phone number is 03 5036 4900.

Student Driver Policy

There have been changes made to the Student Driver policy. Students are able to transport other students to and from school within the conditions of their licence. Changes have also been made around students driving during school hours. Students are currently being informed of these. First Aid and CI Card courses complete!

Over the past six weeks we have partnered with Sunraysia Institute of TAFE to deliver twelve First Aid and Construction Induction (CI) Card courses to over 150 students. The First Aid courses have been delivered at the SuniTAFE campus, allowing the participating students to not only see the TAFE facilities first hand, but also to experience two days of what it would be like to be a TAFE student. Courses have been very successful and enjoyed by all. Great job to the students and thanks to the TAFE staff, especially Alan Box and Gary Sydes, for all their work.
