

PRINCIPAL'S REPORT

It is a strange feeling walking into work this week, knowing that I am now the Principal of Swan Hill College. I take a great deal of pride in what we have accomplished at Swan Hill College over the years and really value the sense of community which has been built through good and bad times. Over the past 31 years I have truly enjoyed working with staff, students and families, and look forward to continuing this in the future.

Vale Lyn Porter and Jenny Graham

The Swan Hill College community would like to acknowledge the passing of Lyn Porter and Jenny Graham, and offer our support and sympathy to their families. Both Lyn and Jenny contributed considerable time and effort to the education of our students, and will be greatly missed.

Year 12

Only two weeks to go for our Year 12 students during which they will be revising for exams which start with English on the 31st of October. There is a temptation for Year 12 students to become a little complacent at this stage of the year. However, it is vitally important that they continue to work hard in order to prepare for their examinations.

2019 College Captains

Congratulations to the following students who have been nominated as our leaders for next year. We wish them all the best in this leadership role.

Senior Captains

Bonnie Kelly, Charlotte Baker, Daniel Hughes and Jack Delmenico.

Junior Captains

Abbey Delmenico, Akasha Jenkins-Jaiswall, Gene Thompson and Sophie Kelly.

CLONTARF FOUNDATION BUSINESS LUNCHEON

Swan Hill Clontarf Academy were special guests, along with Sir Rod Eddington AO, and delivered a message about the impact and importance of the role that we have in schools and society. Included on the guest list were some of the wealthiest CEO's of Australian businesses.

Six of our senior fellas not only presented and handled themselves extremely well, they spoke with confidence and flair which impressed everyone.

It was certainly a highlight of our year and a very proud moment to be involved with these young men.

Congratulations fellas; Jye Purtill, Izaah Bell, Jack McCaig, Malik Bell, Noah Varker and Jaidyn Gombar

STAFF V STUDENT NETBALL MATCH

On the last Thursday of term, staff took on the Year 12's in a netball game.

The students put up a good fight but the staff took the match by two goals. The final score was 12-10.

Thanks to the staff and students for their involvement.

Three votes went to Stuart McGregor for the staff and to Jack Cook for the students.

THE POWER OF A SIMPLE GIFT

Swan Hill College is going M.A.D. (making a difference). Operation Christmas Child is on again and students are making a difference in the world they live by providing a simple gift to a child who sometimes thinks the world has forgotten them.

You can get involved too. Simply provide a single gift that fits in or fills a shoe box.

Gifts can be dropped into the Junior Sub School or Wellbeing and shoe boxes can be picked up from Wellbeing.

Over the years Swan Hill College has filled over 650 boxes which were sent to children in third world or developing countries.

Providing a child with a gift goes beyond the material gift but provides a gift of hope that they are not forgotten.

Our final day of collection is Thursday the 18th of October. Let's see if we can break our record of 156 boxes.
