

## Swan Hill College – Computer requirements non-school supplied devices.

Swan Hill College will connect a computer that is not supplied or recommended (purchased from <https://shc.orderportal.com.au> or <http://shcnew.orderportal.com.au/>), provided it meets the following minimum hardware and software specifications.

You can use these specification as a guide if you wish to purchase your own device from a local computer supplier or an online store.

<b>Computer Type</b>	Laptop or Netbook or Tablet that runs Windows 10 or Windows 11
<b>Minimum Specifications</b>	4GB RAM
	120 GB SSD or SATA Hard Disk (Larger for arts or technology)
	Intel Celeron Dual Core 2.0ghz or Intel Atom quad core 1.5ghz
	AMD A series 1.5ghz quad core
	11.6 inch LCD (Larger for arts or technology subjects – Media, Furniture, etc)
	5 hours battery life
	Wireless BGN (The college also supports Wireless AC)
<b>We strongly Recommend</b>	Extend Battery to 6 or more hours
	Extend warranty to 3 years (Or the term of your child’s remaining schooling)
	Include a Carry case to protect the device
<b>Swan Hill College will supply</b>	Current version Microsoft Office for the duration that your child is at school (Includes Word, Excel, Power Point, Publisher)
	Current version Adobe Software for the duration that your child is at school (Acrobat Pro, Dreamweaver, Animate, Illustrator, Photoshop)
<b>Notes</b>	Department recommends Microsoft Defender Antivirus Solution
	Swan Hill College ICT department can only offer limited software and hardware support for these devices.
	Consider if the warranty is on site or return to base. (Do you have to send it away for repair)
	Consider Accidental Damage insurance to cover any repairs required that are deemed “User Induced Damage”, for example if the unit is dropped.
	Currently IOS, Android and Chromebook devices are not supported by the College’s infrastructure.
	Devices that are found to have pirated or illegal software installed will be rejected by the College.
	<b>New students are entitled to a College subsidised device. Contact the College for details.</b>
